SPOKEN WORD WORKSHOP

Friday, November 13, 2009

Lunch, Room D107

Bring a friend! ANYONE IS WELCOME.

WHAT is 'spoken word'?

It's an innovative style of vocal expression, much like poetry, and it's coming to MV! Drama, comedy, tragedy, parody, humor, and other themes are emphasized in this profound medium of speech. It's a lot of fun, and works a lot like poetry...without the ABAB pattern. Brought to you by Lyla Johnston and other members of Stanford's Spoken Word Collective... and MV Undead Awareness!
