## BLURB

UAC is all about holding undead-related events started up by people with different hobbies. Our events are all catered to the wants and needs of our members, so if you have an idea, we'll do something great with it! And best of all, we have **No membership fees!**

# MV UNDEAD AWARENESS

We're a club whose only interest is having fun while exploring the world of the undead. Our influences can be taken from both old and new, from different sources of media with a variety of activities!

## MJ "THRILLER" MOVIE NIGHT

In a true tribute to the King of Pop himself, we're bringing a movie and music night unlike any other to Monta Vista! We will be showing both music videos as well as a couple ghostly short movies from his earlier days. It'll be a night worth sharing, so please bring your friends and family.

## SPOON TAG

Spoon Tag is a long-term event, lasting a month or two in some cases, based on 'conversions' to play until the last-man-standing. The game is opened to all current MV students, and is held twice a year and operated through Facebook.

## MURDER MYSTERY NIGHT

Ever heard of Clue? Well, this will be very similar. Events such as our Murder Mystery Night will incorporate elements of undead species with fun activities such as our Vampire Forum, dress-up days, movies and others!

## INVISIBLE CHILDREN

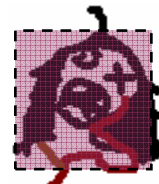

For some of our events, we'll be raising money for the cause Invisible Children. Read more at <http://www.invisiblechildren.com>. Some of the fundraising events include our MJ Tribute Night, a book drive, and a video game night.
