

Welcome to the Vampire Forum

If you're interested in vampires, modern or historical, fact or fiction, welcome to the forum!

People actually major in this type of stuff, and the religious and mythological ties make the subject of vampires even more exciting! Well, let's get started.

Topics for discussion:

- ⇒ What has made vampires so prominent in society today?
- ⇒ Why is there so much blood involved?
- ⇒ What happened to religion and vampires...or is it still there?
- ⇒ You know it's there. Twilight. What up? How come it's so great? What HAPPENED to vampires?
- ⇒ And...anything else you can think of?
